GUEST DESIGNER

This month's featured idea was designed by Madalyn Van Cooney, Firelands Class of 2021.

Madalyn's design includes an outline of Ohio with Firelands Falcons in the middle of the design. Our school logo, the Falcon, is located at the top center.

If you have an idea for a shirt design, we would love to hear from you. Send us an email at, firelandsoutfitters@firelandsschools.org, to set up an appointment with one of our coordinators.

EMPLOYEE SPOTLIGHT

Each month Firelands Outfitters will focus on an employee (Student or Staff member) who stood out!

The employee we would like to spotlight for our first issue is Mrs. Breunig, our Transition Coordinator.

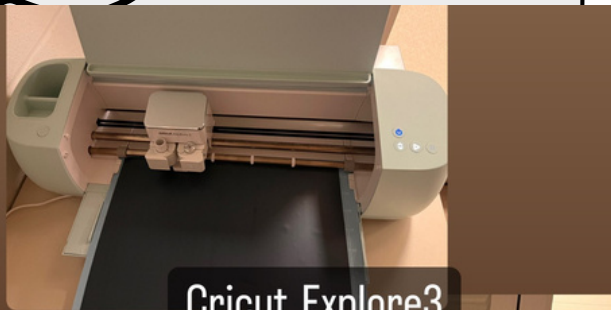

Mrs. Breunig is the reason this program is even possible! She applied for a grant to receive the Cricut equipment and other various materials for Firelands. Talking with Mrs. Miller, Mrs. Van Cooney, and Mrs. Hoban they all wanted to offer a Project-Based Learning opportunity for students. Mrs. Hoban, Mrs. Miller, Mrs. Van Cooney & Mrs. Breunig will be working with students all year!

TERMINOLOGY 101

Cricut Explore3

Here at Firelands High School, we started a class called Transition. In this class the students make spirit gear to sell to the community. In order to make the gear the class needed specific equipment. The big piece of equipment we use is a Cricut. A Cricut is an electronic machine that can cut a wide variety of materials to be used in projects. Different types of Cricut machines can cut thin wood, leather, and more.

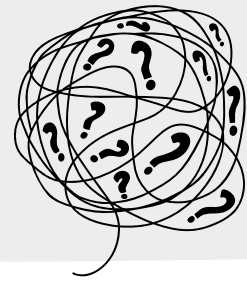

With school starting a couple of weeks ago we have only had the chance to cut vinyl with the machine to make t-shirts! But we cannot wait to experience everything the machine has to offer!

THANK YOU

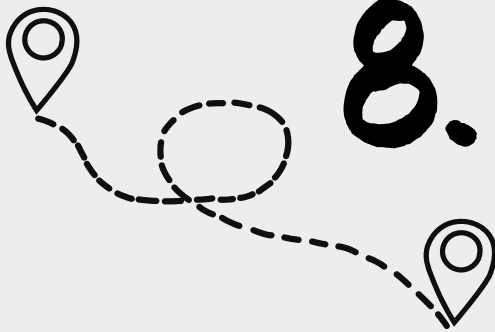

We wouldn't be where we are today without the following people,

Ms. Bruenig, Transition Coordinator - Thank you for writing the grant that gave us this amazing opportunity to start making shirts, hoodies, and more!

Ms. Keener and the Firelands Board members - Thank you for supporting us students and teachers by allowing us to have the class Transition, which makes this all possible.

There are many more people we would like to give a big thank you to so keep your eyes peeled in the following issues.

FUTURE CONNECTIONS

We are looking forward to earning enough profit to visit local small businesses.

A big part of this class will be the off campus learning opportunities. Mrs. Van Cooney, Mrs. Miller, and Mrs. Hoban would like to take students to local businesses to explore possible job opportunities.

Stay Tuned to see where the students head to!
